TRANSFORMING TRAVEL

Transforming access to Leeds Bradford Airport

We would like to know your thoughts about our emerging plans for a Leeds Bradford Airport (LBA) Rail Parkway and Link Route

Let us know what you think before **April 12 2019**

TRANSFORMING TRAVEL

The proposals aim to improve access in the North West Leeds area, as well as to LBA, and we are keen to hear from anyone that travels through the area for any reason. For example, local residents, businesses, commuters, airport users and rail users. This opportunity to have your say will build upon the consultation carried out previously and now includes plans for a new parkway rail station.

We want your views
